

Marriage Monday Worksheet

Write down EVERY SINGLE PURCHASE you make this week. You do not have to write down how much you spent, just what you bought.

Then, check the appropriate boxes next to the purchase.

Item purchased	This purchase glorifies God	This purchase was necessary	This purchase hurts our financial goals	My spouse disagrees with this purchase	This purchase could "own me"

Apologize to one another if there has been any lack of unity in spending.
Spend time praying together, asking God to give you both financial wisdom and unity.

Action for Week 4: Strongly consider completing together the other resources on our website from Crown Financial Ministries!
